

Fully-Baked Pastel de Nata

Baking Instructions

1. **Preheat oven to 180°C**
2. Place the pasteis de nata into the middle of the oven, and **cook for approximately 10 minutes**. (Note that the nata's are already baked and simply need to be defrosted and warmed through in the oven.)
3. Take the nata out of the oven and leave to cool for 10 minutes before serving.
